

War Song

Neil Young

Intro: D A C G D

In the mornin when you wake up  
you ve got planes flyin in the sky.

Flying bombs made to break up  
all the lights in your eyes

There s a man who says he can put an end to war.

They shot George Wallace down, he ll never walk around,  
mines are sleepin in the sea.

Blow those bridges down and burn that jungle down,

kill those Vietnamese.

Guitar solo:

D A C G (x2)

There s a man who says he can put an end to war.

In the mornin when you wake up  
you ve got planes flyin in the sky.

Flying bombs made to break up  
all the lights in your eyes

There s a man who says he can put an end to war.
