

War Song  
Neil Young

Intro: Eb Bb C# G# Eb

          Eb                          Bb  
In the mornin when you wake up  
          C#                          G#  
you ve got planes flyin in the sky.  
          Eb                          Bb  
Flying bombs made to break up  
          C#                          G#  
all the lights in your eyes  
          Eb                          Bb                  C#                  G#          Eb  
There s a man who says he can put an end to war.  
          G#  
They shot George Wallace down, he ll never walk around,  
C#  
mines are sleepin in the sea.  
B  
Blow those bridges down and burn that jungle down,  
F#7M                          Eb  
kill those Vietnamese.

Guitar solo:

          Eb          Bb          C#          G#  (x2)  
  
          Eb                          Bb                  C#                  G#          Eb  
There s a man who says he can put an end to war.  
          Eb                          Bb  
In the mornin when you wake up  
          C#                          G#  
you ve got planes flyin in the sky.  
          Eb                          Bb  
Flying bombs made to break up  
          C#                          G#  
all the lights in your eyes  
          Eb                          Bb                  C#                  G#          Eb  
There s a man who says he can put an end to war.
