Subject: CRD: World on a String (Neil Young)

I actually posted this transcription some time ago, but considering its
correctness compared to the version at OLGA, I just thought it needed a
repost. I think it s a nifty little tune, well picked by Neil for his
Unplugged concert. Try it out!

Although the answer is not unknown
I m searchin , searchin , and how I ve grown
It s not all right, to say good-bye
And the world on a string doesn t mean a thing

No the world on a string doesn t mean a thing
Only real in the way that I feel from day to day
