## [Verse 1]

| $\mathbf{F}$ | $(\mathbf{F} / \mathbf{C})$ | $\mathbf{G}$ | $(\mathbf{G} / \mathbf{D})$ | $\mathbf{F}$ | $(\mathbf{F} / \mathbf{C})$ | $\mathbf{G}$ | $\mathbf{G}$ |

My life $s$ an open book, you read it on the radi - o,
$\mathbf{F} \quad(\mathbf{F} / \mathbf{C}) \quad \mathbf{G} \quad(\mathbf{G} / \mathbf{D}) \quad \mathbf{F} \quad(\mathbf{F} / \mathbf{C}) \quad \mathbf{G} \quad \mathbf{G} \mathbf{G 6} \mathbf{G} \mathbf{G 6}$

We got no where to hide, we got no where to go,
Fmaj7 (Fmaj7/C) G (G/D) F (F/C) G (G/D)

But if you still de - cide... that you wanna take a ride---!
[Chorus]

[Verse 2]

$\mathbf{F}(\mathbf{F} / \mathbf{C}) \quad \mathbf{G}(\mathbf{G} / \mathbf{D}) \quad \mathbf{F} \quad$ (F/C) G G G6 G G6

I see your smoky eyes... right a - cross the bar,

I ve seen that look be - fore, shining from star to star,

| F |
| :---: |
|  |  |

Though I can t take that chance, if you ve got time for one dance---!
