VERSE:

I hate models
and I hate the way,
they look at you in the eyes and they say,
just how great your life could be

G#   A   G# A
Although I think that,
you ve got nothing to be pleased about,
 cos blind worship is the only thing
you ll ever accept

G# A G# G (distortion)

I hate TV (TV, TV, TV)
and i hate the way
It looks at you in the eye and then say s
just how great your life it could have been

Although I think that,
you ve got nothing to be pleased about,
 cos blind worship is the only thing
you ll ever accept
