Hear me calling your name in the night
to run to your window thinking a coyote might
  G
be howling
C
Hear me knocking at your door again
to tell yourself its only the wind
thats blowing
The sun in the sky sinks down in the west
to tell yourself that the heart in your chest
is still beating
Will you know or must I tell you
this is my lovers spell you have fallen into
                    G
my dear, my voice is all, you ll hear
Only the sound of my heart pounding darling
You took my heart, cast it aside, laughed when I cried
like it was just no big deal
and here all alone in the dark
I know just how you feel
CFGCFGC
Feel my fingers on your skin again
                     F
                             C
to tell yourself its just no use in crying
```
