

I Missed The Point
Neko Case

I Missed the Point by Neko Case

D
I have lightning
G **D**
If the stars dry out to guide me
I have soft clay
G **D**
To knit my bones astride
F#7
What a miracle they say
Bm
Dark clouds gather

F#
Velvet holes
G
Gaping wide oh
D
And they pour it down
G
And they sing to me
D
Of wonders
G
Unseen

F#
Like clouds that rise
G
From the sea, oh
D
And I m sorry
G
I m so sorry
D
That I missed the point
G
Of this pageantry
D
But I m grateful
G **Bm7** **D**
That you love me
