

**Maybe Sparrow**  
**Neko Case**

(verse)

**Em**                    **G**  
Maybe sparrow you should wait  
**Cmaj7**                    **B** (augmented)  
The hawks alight till morning  
**Cmaj7**                    **G**  
You ll never pass beyond the gate  
**Cmaj7**                    **B+**  
If you don t hear my warning

**C**                    **G**  
Notes are hung so effortless  
                  **C**                    **G**  
With the rise and fall of sparrow s breast  
                  **C**                    **G**  
It s a drowning dive and back to the chorus

**C**                    **Em7**    **G**  
La di da di da di da  
**C**                    **Em7**    **G**  
La di da di da di da

(interlude) **C**   **Em** **G** (3x)    **E°** **G**

```
E |-----|
B |-----|
G |-----2--|
D |-----2--4--5-----|
A |-----2-3--5-----|
E |--3--5-----|
```

(bridge)

**Cmaj7**                    **G**  
Oh my sparrow it s too late  
**C**                    **Cmaj7**  
Your body limp beneath my feet  
**Cmaj7**                    **G**  
Your dusty eyes cold as clay  
**Cmaj7**                    **G**  
You didn t hear my warning  
**Cmaj7**                    **G**                    **G**  
You didn t hear my warning

(interlude 2x) **Edim** **G**

(verse)

Em                    G  
Maybe sparrow it s too late  
Cmaj7                    B+  
Moonlight glanced off metal wings  
Cmaj7                    G  
In a thunderstorm above the clouds  
Cmaj7                    B+  
The engine hums a sparrow s phrase  
C                            G  
For those who cannot hear the words  
C                            G  
For those who cannot hear the words  
C                            G  
For those who will not hear the words

Edim                    G  
La di da di da di da  
Edim                    G  
La di da di da di da

Em                    G  
Maybe sparrow  
Maybe sparrow  
Maybe sparrow
