

Nothing To Remember
Neko Case

---Capo on 1---

G **C**
I spent my life becoming invisible

G **C**
It s hard to maintain and its hard to get by

G **C**
I don t recall fight or flight setting in

G **C**
I had no introduction I just breathe it in like the air

G
And there s nothing to remember

C
There is nothing to remember

G **C**
I owe you nothing that s all I ve got for you

G **C**
And You ll borrow nothing that s what you expect of me

G
So you send me a lot out of thin sailors knots

C
And I fear underneath the weight of your thoughts

G **E7**
My footsteps now, they won t echo too loudly

(Chorus)

G
All I owe, All I owe

C
Are the strides I spend to the finish line (X2)

G
And I ll give you those

(**G**, **C** X3)

G* (strum once)
You told me something that scared me to death

C*
Don't take me home I can't face that yet

G*
I'm ashamed that I'm barely human

C*
I'm ashamed that I don't have a heart you can break

G C
I'm just action, and at other times reaction

G
All I owe, All I owe

C
Are the strides I spend to the finish line

G
And I'll give you those

C
Just don't make me go home

G
Give me something to remember

E7
Give me something to remember

G
Give me something to Remember

It's pretty easy, I think where the E7 is (in both spots) you could use a C but I was just trying to change it up a bit.

From the Hunger Games soundtrack:)
