

Long And Lazy River

D G A  
you re supposed to have a laugh and have a lot to say  
D G A  
you re supposed to have a gas and make your getaway

Bm G  
but do you know you can t be wrong  
Bm G  
how do you know you can t be wrong  
A G D  
you ve got a long and lazy river to your soul

G A G  
i wasn t sure about anything, no  
G A G A D  
i was secure in a rendering headed west  
G A G  
now i guess i m a-wandering low  
G A G A D  
wishing i weren t good at squandering all i had

D G A  
you ve got a lot that s lame and royal alibis  
D G A  
i got a lot of shame and thing are dead inside

Bm G  
but do you know you can t be wrong  
Bm G  
how do you know you can t be wrong  
A G D  
You ve got a long and lazy river to your soul

G A G  
color me damned, feeling petrified, yes  
G A G A D  
tear up my plans, leave me weatherblind. guess it s past  
G A G  
it s a flash, from the otherside  
G A G A D  
fading fast goes the mast, it s a bitter climb all i had

D G A  
and now i know your mad, i know you re filled with hate  
D G A

i know that as i stand here you know i m too late

**Bm** **G**  
but do you know you can t be wrong

**Bm** **G**  
how do you know you can t be wrong?

**A** **G** **D**  
You ve got a long and lazy river to your soul

**G** **D**  
... to your soul

**G** **D**  
... to your soul
