

Ps I Love You
Nellie McKay

I fell in love with this song after watching the movie P.S. I Love You and I haven't
able to find chords or tabs ANYWHERE!

This is my very first posting " this song is actually played on an ukulele, and since I have one I had to do my best to convert it to guitar. Feel free to make substitutions if think I've got it wrong!!

I don't know a whole heck of a lot about musical theory but I'm pretty sure the timing
3/4, like a waltz would be. Also I cut as many barre chords as possible to make it as
as I could. Enjoy!!

The Strumming Pattern is:
