

Ps I Love You
Nellie McKay

I fell in love with this song after watching the movie P.S. I Love You and I haven't been able to find chords or tabs ANYWHERE!

This is my very first posting " this song is actually played on an ukulele, and since I have never had to do my best to convert it to guitar. Feel free to make substitutions if you think I've got it wrong!!

I don't know a whole heck of a lot about musical theory but I'm pretty sure the timing is 3/4, like a waltz would be. Also I cut as many barre chords as possible to make it as easy as I could. Enjoy!!

The Strumming Pattern is:

D D U D D U D D U D D U
1+2+3 1+2+3 1+2+3 1+2+3
