

Miracles

Nelly Furtado

Dm **Am** **Dm**
Turn every tear on my face to gold
Am **Dm**
Make the skin on the back of my neck turn cold
Am **Dm**
Need to feel my bare feet on your road
Am **Bb**
I will never again walk alone

Dm **Bb**
If you question my faith, I d still believe
Dm **Bb**
Put a knife in my heart I wouldnâ€™t bleed
Dm **Bb**
This is brand new air that Iâ€™m breathing
Am
Iâ€™m breathing

Dm **Bb**
Show me all of your miracles,
Dm **Bb**
Iâ€™m totally inside your waterfall
Dm **Bb**
Never felt something this real before
Dm **Bb**
I believe in all your miracles

Dm **Am** **Dm**
Take me up, to the place you live
Am **Dm**
I know that, youâ€™ve got so much more to give
Am **Dm**
I know that, youâ€™re not meant to worship
Am **Bb**
But Iâ€™m losing my sense of control

Dm **Bb**
If you question my faith, Iâ€™d still believe
Dm **Bb**
I need this air so desperately
Am
So I can breathe

Dm **Bb**
Show me all of your miracles,
Dm **Bb**
Iâ€™m totally inside your waterfall

Dm **Bb**
Oh, never felt something this real before
Dm **Bb**
I believe in all your miracles

Dm
I feel it in my heart and my mind

Am
And my body and soul

Dm **Am**
I feel all your power and Iâ€™m losing all control
Bb **Dm** **Bb**
And Iâ€™m weightless, this space is divine
Am **Dm** **Bb** **Am**
divine, divine

Dm **Bb**
Show me all of your miracles,
Dm **Bb**
Iâ€™m totally inside your waterfall
Dm **Bb**
Oh, never felt something this real before
Dm **Bb**
I believe in all your miracles

Dm **Am**
I wanna feel all your miracles
Dm **Am**
In my mind, in my body and soul
Dm **Am** **Bb**
I wanna feel all your miracles, oh, oh, oh, whoa
Dm
