

Miracles

Nelly Furtado

Ebm **Bbm** **Ebm**
Turn every tear on my face to gold
Bbm **Ebm**
Make the skin on the back of my neck turn cold
Bbm **Ebm**
Need to feel my bare feet on your road
Bbm **B**
I will never again walk alone

Ebm **B**
If you question my faith, I d still believe
Ebm **B**
Put a knife in my heart I wouldnâ€™t bleed
Ebm **B**
This is brand new air that Iâ€™m breathing
Bbm
Iâ€™m breathing

Ebm **B**
Show me all of your miracles,
Ebm **B**
Iâ€™m totally inside your waterfall
Ebm **B**
Never felt something this real before
Ebm **B**
I believe in all your miracles

Ebm **Bbm** **Ebm**
Take me up, to the place you live
Bbm **Ebm**
I know that, youâ€™ve got so much more to give
Bbm **Ebm**
I know that, youâ€™re not meant to worship
Bbm **B**
But Iâ€™m losing my sense of control

Ebm **B**
If you question my faith, Iâ€™d still believe
Ebm **B**
I need this air so desperately
Bbm
So I can breathe

Ebm **B**
Show me all of your miracles,
Ebm **B**
Iâ€™m totally inside your waterfall

Ebm **B**
Oh, never felt something this real before

Ebm **B**
I believe in all your miracles

Ebm
I feel it in my heart and my mind

Bbm
And my body and soul

Ebm **Bbm**
I feel all your power and Iâ€™m losing all control

B **Ebm** **B**
And Iâ€™m weightless, this space is divine

Ebm **Ebm** **B Bbm**
divine, divine

Ebm **B**
Show me all of your miracles,

Ebm **B**
Iâ€™m totally inside your waterfall

Ebm **B**
Oh, never felt something this real before

Ebm **B**
I believe in all your miracles

Ebm **Bbm**
I wanna feel all your miracles

Ebm **Bbm**
In my mind, in my body and soul

Ebm **Bbm** **B**
I wanna feel all your miracles, oh, oh, oh, whoa

Ebm
