

## Miracles

Nelly Furtado

**C#m** **G#m** **C#m**  
Turn every tear on my face to gold  
**G#m** **C#m**  
Make the skin on the back of my neck turn cold  
**G#m** **C#m**  
Need to feel my bare feet on your road  
**G#m** **A**  
I will never again walk alone

**C#m** **A**  
If you question my faith, I d still believe  
**C#m** **A**  
Put a knife in my heart I wouldnâ€™t bleed  
**C#m** **A**  
This is brand new air that Iâ€™m breathing  
**G#m**  
Iâ€™m breathing

**C#m** **A**  
Show me all of your miracles,  
**C#m** **A**  
Iâ€™m totally inside your waterfall  
**C#m** **A**  
Never felt something this real before  
**C#m** **A**  
I believe in all your miracles

**C#m** **G#m** **C#m**  
Take me up, to the place you live  
**G#m** **C#m**  
I know that, youâ€™ve got so much more to give  
**G#m** **C#m**  
I know that, youâ€™re not meant to worship  
**G#m** **A**  
But Iâ€™m losing my sense of control

**C#m** **A**  
If you question my faith, Iâ€™d still believe  
**C#m** **A**  
I need this air so desperately  
**G#m**  
So I can breathe

**C#m** **A**  
Show me all of your miracles,  
**C#m** **A**  
Iâ€™m totally inside your waterfall

**C#m** **A**  
Oh, never felt something this real before

**C#m** **A**  
I believe in all your miracles

**C#m**  
I feel it in my heart and my mind

**G#m**  
And my body and soul

**C#m** **G#m**  
I feel all your power and Iâ€™m losing all control

**A** **C#m** **A**  
And Iâ€™m weightless, this space is divine

**G#m** **C#m** **A** **G#m**  
divine, divine

**C#m** **A**  
Show me all of your miracles,

**C#m** **A**  
Iâ€™m totally inside your waterfall

**C#m** **A**  
Oh, never felt something this real before

**C#m** **A**  
I believe in all your miracles

**C#m** **G#m**  
I wanna feel all your miracles

**C#m** **G#m**  
In my mind, in my body and soul

**C#m** **G#m** **A**  
I wanna feel all your miracles, oh, oh, oh, whoa

**C#m**  
Miracles!
