

Miracles

Nelly Furtado

Em **Bm** **Em**
Turn every tear on my face to gold
Bm **Em**
Make the skin on the back of my neck turn cold
Bm **Em**
Need to feel my bare feet on your road
Bm **C**
I will never again walk alone

Em **C**
If you question my faith, I d still believe
Em **C**
Put a knife in my heart I wouldnâ€™t bleed
Em **C**
This is brand new air that Iâ€™m breathing
Bm
Iâ€™m breathing

Em **C**
Show me all of your miracles,
Em **C**
Iâ€™m totally inside your waterfall
Em **C**
Never felt something this real before
Em **C**
I believe in all your miracles

Em **Bm** **Em**
Take me up, to the place you live
Bm **Em**
I know that, youâ€™ve got so much more to give
Bm **Em**
I know that, youâ€™re not meant to worship
Bm **C**
But Iâ€™m losing my sense of control

Em **C**
If you question my faith, Iâ€™d still believe
Em **C**
I need this air so desperately
Bm
So I can breathe

Em **C**
Show me all of your miracles,
Em **C**
Iâ€™m totally inside your waterfall

Em **C**
Oh, never felt something this real before
Em **C**
I believe in all your miracles

Em
I feel it in my heart and my mind

Bm
And my body and soul

Em **Bm**
I feel all your power and Iâ€™m losing all control
C **Em** **C**
And Iâ€™m weightless, this space is divine
Bm **Em** **C** **Bm**
divine, divine

Em **C**
Show me all of your miracles,
Em **C**
Iâ€™m totally inside your waterfall
Em **C**
Oh, never felt something this real before
Em **C**
I believe in all your miracles

Em **Bm**
I wanna feel all your miracles
Em **Bm**
In my mind, in my body and soul
Em **Bm** **C**
I wanna feel all your miracles, oh, oh, oh, whoa
Em
Miracles!
