Am

Hot black tar

Em

I tan my legs

G

Rest my heart

D

And dream of the city

Magazine and diet coke

I m not a joke

This is me

Damaged leg

Heavy cart

Plastic cups

Linen mart

Rock garden

Where i used to play

People stare

Part of their day

Coffee break

Lunch at noon

Pumpernickel steak

Green and orange room

Done my list

I Make my way

To help my mother

End her day

Fresh cut grass

parking lot

We roll on out
We got a lot

We re on our way
Roll the windows down
And scream out loud
We re tired now

Take it home
Stop on the way
To the bakery
For some fruit and cake
Home i lay
After a shower clean
I hit my head
And i dream
