Nelly Furtado: Undercover

Tuning: Standard

Capo on 1st Fret

This song actually doesn't have music playing during the verses and bridge, so what I do

just play the the intro notes during them, they fit. The pre-chorus also only uses

not chords, but the chorus uses chords. Its still relatively easy though.

Please comment and let me know how it is!

Bm - 224432

G - 320003

A - 002220

Verse 1

Yeah I like your style
Coming at me, coming at me, coming all the while, and
And I like to stare
When you walk by, when you walk by
There s something in the air, yeah
And I like to wait (wait)
Oh I never seen myself in such a crazy
I m not insane
But I already have your number and I know your name, and

Pre-Chorus

```

You ve got another lover

A

You re still undercover

Verse 2(same as 1st)

And you look so good

I like you so bad I gotta kno ck on wood, yeah

You know I want you

So you keep me hanging in the ring you know you do

That s how you play (play)

I don t care cause I ll be here anyway, and

I ll play your game

As long as I can win it at the end of the day, and

Bridge

Watch, watch it now, watch it come around the corner

Watch, watch it now, watch it come around the corner

Watch, watch it now, watch it come around the corner

You turn your head around like you were a transformer

Watch, watch it now, watch it come around the corner (watch it now)

Watch, watch it now, watch it come around the corner (watch it now)

Watch, watch it now, watch it come around the corner (watch it now)

Turn my head around like i was a transformer
