

**Lessons In Love All Day All Night  
Neon Trees**

SONG: Lessons in Love (All Day, All Night)

ARTIST: Neon Trees

ALBUM: Picture Show

YEAR: 2011

---

INTRO:

**Bm, Em, D, A, Bm**

VERSE #1:

**Bm Em D A Bm**  
When you walk my way, I feel the rush come over me - a sharp panic, panic

**Bm Em D A Bm**  
It s the things you say that makes the rush come over me - it happens all the  
time

PRE-CHORUS #1:

**Bm Em D A Bm**  
I never was too good at following the rules - no, no

**Bm Em D A Bm**  
I m better just pretending I was the fool

CHORUS:

**G Bm D Em G A**  
All day, all night, I got the lights in my eyes and I m falling for you

**G Bm D Em G A**  
Keep cool, stay tough but that s never enough and these are the lessons in  
love

**G Bm D Em G A**  
All day, all night, I got the lights in my eyes and I m falling for you

**G Bm D Em G A Bm**  
Keep cool, stay young - I m just having my fun with the lessons in love

VERSE #2:

**Bm**                    **Em**                    **D**            **A**                    **Bm**  
If I walk away, I feel a push inside of me that won't let me leave

**Bm**                    **Em**                    **D**                    **A**                    **Bm**  
But what could I say for you to feel what's inside of me? This happens all  
the time

PRE-CHORUS #2:

**G**                    **A**                    **Em**                    **Bm** **A**  
I never was too good at following the rules - no, no

**G**                    **A**                    **Em**                    **G** **A**  
I'm better just pretending I was the fool - hear me out

CHORUS

BRIDGE:

**Bm**                    **D**                    **G**                    **A**  
I'm only lonely when the lights are on

**Bm**                    **A**                    **G**  
I want the same rush over and over and over and over

**G**                    **Bm**            **D**                    **Em**                    **G**            **A**  
All day, all night, I got the lights in my eyes

**G**                    **Bm**            **D**                    **Em**                    **G**            **A**  
All day, all night, I got the lights in my eyes

CHORUS

OUTRO:

(CHORUS chords)

**Bm**,            **Bm**, **A**, **Bm**, **A** (x4)

END on **Bm**
