Life can

Go on without you

-----  
I m leaving our war behind  
The night that I leave town  
The walls that you  
Helped me take down  
Are only getting taller now  
And I ve even forgotten how  
To stand on my  
Two feet

I wanna say I m on my own  
And happier to be alone  
But everything I do alone  
Has  
Every bit of you  
I m leaving our war behind  
Life can go on without you  
I m leaving our war  
Behind  
The night that I leave town  
All my life  
It s always the same thing  
All my life  
It s always  
The same thing  
All my life  
It s always the same thing  
It s always the same  
It s always the same
