It s her dark skin..

It s your juicy lips girl, ah-ahhh

F#m

She s bad bad, bad ass (uh)

She s bad bad, bad ass

She s bad bad, bad ass (you re so dark girl)

She s bad bad, bad ass

F#m

I ve been all around the Earth

There no girls that kiss me first

But you just stand there with a smirk

But don t you worry about it, ahh - OWW!!

.. So BABY!! Don t fool wit me

If you don t wanna give it up

Don t worry about it

BABY!! Don t fool wit me

If you don t wanna give it up

Don t worry about it

I just wanna feel your (uhh)

You just wanna feel my (uhh)

We should just go feel our (uhh)

Imagine.. but fuck it don t worry about it

OWW!! BABY! Don t fool wit me

If you don t wanna give it up

Don t worry about it (worry about it)

BABY!!! Don t fool wit me

If you don t wanna give it up

Don t worry about it (worry about it)

Baby look at your girl starin at me

And her girl, in the next seat

They want a menage three, don t worry about it

OWW!! I said BABY!! Don t fool wit me

If you don t wanna give it up

Don t worry about it (worry about it)

Chocolate flower.. uh (worry about it)
