

Lapdance

N.E.R.D.

Verso:

(F E F F#)

I m an outlaw

Quick on the draw

Something you never seen before

And I dare a motherfucker to come in my face

I got something chrome

And I got it from home

And it ain t a microphone

And I dare a motherfucker to come in my face

(F E,F,F#)

It s so real

How I feel

It s this society

That makes a nigga want to kill

I m just straight ill

Riding my motorcycle down the streets

While politicians is sounding like strippers to me

They keep saying

But I don t want to hear it

Refrão:

(F E F F#)

Ooo baby you want me

Well you can get this lapdance here for free

Ooo baby you want me

Well you can get this lapdance here for free

(F E F F#)

It s a raw night

Who wants to bar fight

Well come on alright

And I dare a motherfucker to come in my face

Baseball bats

I got something for that

It goes clack clack clack clack

So I dare a motherfucker to come in my face

It s so real

How I feel

It s this society

That makes a nigga want to kill

I m just straight ill

Riding my motorcycle down the streets

While the government is sounding like strippers to me
They keep saying
But I don t want to hear it

Refrão:

(**F E F F#**)

Lee Harvey Rap Verse:

When you think of Harvey
Think of a Harley
Blue Denim
Spike wrist and chromebie
Lap screws and tattoos
That s all me
Two girls both arms feeling like Fonzy
You can find me drunk
Whippin and might crash
Or find me chillin with crackers who like thrash
Find me in court smokin that nice grass
Burning the flag all in the name of white trash
It s Harvey baby
With Christ on my arm
I m gnarly baby
Fuck with me
Not hardly baby
And you know the flow
Ungodly baby
So let s party baby
Chicks nicknamed me pilot
They get high off my dick
I take them to my home
They call it the cockpit
Time to take off their panties
They drop quick
Now that s first class fuckin
Ain t that some fly shit
