

Run To The Sun
N.E.R.D.

that s easy, there are four different chords, **D Bm F#m** throughout the whole son
then **C#m** just before the final chorus.

D
Thinking about the time we shared
Bm
And how I wasn t there
F#m
It hurt me, these people overworked me

keep on with this chords throughout the song then at the end:

D
S.O.S. to your ears
Bm **C#m**
The only thing I ever feared was this day
And having to say

that s all, for an acoustic version this sounds good, hope you ll enjoy it
cheers
