

down

It s over, leave it

(So you re sad)

And you should own it and you fucked up (Damn)

You thought that you were the team

(You were gassed)

And now your opponent, he wears your gloves (Damn)

A nightmare just ate up your dreams

Am

I bet you would ve paid up or you ll cash down (you ll cash down)

Am/G F

And not make a sound (to make a sound)

D

Everyone knows now

It all comes crashing...

F E A9 A

down

It s over, leave it

(So you re sad)

Could have had so much done You blew it off (Damn)

Your chance is passing you by

(You were gassed)

Time waits for no one

And it cost for a lost

A cosmic joke

Should you laugh or cry
