

Van Halen
Nerf Herder

Artist: Nerf Herder
Album: Nerf Herder
Song: Van Halen
Tabbed By: Netgerm (Lmohesky@cableone.net)

I see a lot of tabs who are correct on the chords
but fail to tab the solo right. Below is the
correct way to play the solo. Enjoy!

Standard Tuning: EADGBe

(Intro)

(Bass Line)

(Verse One)

(Bass Guitar Only)

I bought Van Halen One

It was the best damn record I ever owned... T G and Y...1978

G

Two-hand tapping guitar technique

Really got me off Eruption yeah

D C

Ain t talkin bout love...im on fire

(Chorus)

G D B C G D B C

Tomorrow may come, Tomorrow may never come again
 G **D** **B** **C** **G**
Can t you hear Jamie cryin ? Shes runnin with the devil
 D **B** **C**
Oh Loooooord Oh Looord

(Verse Two)

I bought Women and Children First, Fair Warning
and Van Halen Two, Dance The Night Away
G
1984 - My favorite record, yeah, I wore it down
Might as well Jump, might as well Jump...

(Chorus)

G **D** **B** **C** **G** **D** **B** **C**
Tomorrow may come, Tomorrow may never come again
 G **D** **B** **C** **G**
Can t you hear Jamie cryin ? She s runnin with the devil
