

All Bets Are Off

C Am D

All bets are off

Em

Lay your cards on the table

C Am D Em

Draw down the moon

C Am D

All bets are off

Em

Cause I know you re not able

C B

And everything will be ending soon

C Am D

I don t speak, I don t feel

Em

Cause I know that it s over

C Am D

But this hurt is unreal

Em

So I m holding on

C Am D

I don t speak, I don t feel

Em

But I know what it takes

C Am D Em

This is how it feels when a heart breaks

C B

This is how it feels when a heart breaks

Just one more time

Let me dream of fresh fortune

Just one more time

Freak show divine

All the things that I can t do

Crowd and muddle my mind

Was it always ever this?

Were we condemned to an end?

A bitterness that tastes so sweet

No matter what I do

Must I always think of you

Forever, forever?

I don t speak, I don t feel

Cause I know that it s over

But this hurt is unreal

So I m holding on
I don t speak, I don t feel
But I know what it takes
This is how it feels when a heart breaks
This is how it feels when a heart breaks
When a heart breaks

C Am D Em

C B

I don t speak, I don t feel
Cause I know that it s over
But this hurt is unreal
So I m holding on
I don t speak, I don t feel
But I know what it takes
This is how it feels when a heart breaks
This is how it feels when a heart breaks
Oh, this is how it feels
So this is how it feels.
