

Cigarette

Nerina Pallot

Intro: **E G C A**

Verse: **E G C A**

Cigarette

How I want you

But no one can know

Cigarette

How I love you

But I let you go

Am D G/E

Like the vodka and the quarter of whiskey

Am D G/E

Six o'clock will never come too soon

Am D

But time is fleeting

G C

And I am wasted

F# B

Howling at the moon

One night stand

You were perfect

You were quite the man

In the same

Clothes as yesterday

In a stranger's hands

Give me vodka and a quarter of whiskey

Just to line and it'll get there soon

But time is fleeting

And I am wasted

Howling at the moon

E G C A

Show my year

You impress me

But my friends can't know
