

**Cigarette**

**Nerina Pallot**

Intro: **E G C A**

Verse: **E G C A**

Cigarette

How I want you

But no one can know

Cigarette

How I love you

But I let you go

**Am D G/E**

Like the vodka and the quarter of whiskey

**Am D G/E**

Six o'clock will never come too soon

**Am D**

But time is fleeting

**G C**

And I am wasted

**F# B**

Howling at the moon

One night stand

You were perfect

You were quite the man

In the same

Clothes as yesterday

In a stranger's hands

Give me vodka and a quarter of whiskey

Just to line and it'll get there soon

But time is fleeting

And I am wasted

Howling at the moon

**E G C A**

Show my year

You impress me

But my friends can't know
