

## Geek Love

Nerina Pallot

This is more or less what Nerina plays.  
More or less.  
Feel free to correct mistakes:)

In the race to get out of this place,  
I am checking my face in the back of a spoon,  
You re accusing, you say I m not here, but I m here, yes I m here, yes,  
I m not on the moon,  
But I m leaving so soon,

So don t presume to know shit about me,  
Cause I don t know myself from one day to the next,  
And I don t pose perplexities purposely,  
This isn t a game, this isn t a test.

So hey, you, could you give it a rest?  
Just take me home and get me undressed,  
Put on a fire and make it enough,  
Oh, we re geeks, but we know this is love.

Nine am to the beat of a drum,  
As we drive through the canyon,  
I m feeling the hum of the engine,  
My head and my heart are a-swim-will your cat be ok?  
Your wife was she in?  
Your wife, is she in???

Cause I don t presume to know shit about you,  
When you won t really tell me until I beg you to,  
But I know that perplexity s a wonderful thing,  
It s a sudden found joy, the strangeness it brings...

I like that we argue,  
But not everyday,  
Your scent in a room,  
The way that you say color not colour .  
What colour today?

Edim7 **Dm Gm C**

It s grey, grey, it s grey.
