

Human

Nerina Pallot

Chords:

C X32010

Am X02210

Em 022000

G 320033 OR 320003

F 133211

Note: On the studio recording she plays F in the verse, live it s Em. Either sounds fine, just keep it the same throughout.

Strumming tends to start at the beginning of the second verse.

The riff can be played with strumming by switching between C and Csus4 at the same rhythm as in the intro.

Pretty much sure this is right; if you want to add ornamentation try switching between Am and Asus2
