Love Is An Unmade Bed

Hello! This is a gorgeous track from Nerina's new EP, and I thought I'd give it a whirl.

I'm not sure the lyrics towards the end are totally right, but the chords sound fine.

They're pretty simple, but there's a Gm and an Eb in the bridge. Nerina uses an Em shape

for the former, and an A shape for the latter. Have fun!

G

Good times and bad times
The love that we shared

A

Now you sleep on the sofa

And I don't care

Am

D

Time was I'd reach for your hand

G

And you'd always be there

So what can we do but
Divide up our books

A

And our records? And field

All our friends funny looks

Am

D

You take the TV and I take the bed

G

Or a chair

Gm

I found an old photo

Eb

From when we first met

F

When I still wore your clothes

Bb

And we'd just stay in bed

Gm

Eb

On Saturdays, Sundays, and Mondays

C

D

I'd skip work for you instead

Em

A

Oh, love is a rock, not a straitjacket

C

D

G

Love is an unmade bed

Em

A

Oh, love is a rock, not a straitjacket

C **D** **G**

Love is an unmade bed

You and me, babe

We're a Vaudeville show

A

All jazz hands and kisses

Nobody would know

Am

We're dying inside

D

G

But always the life and the soul

Like brother and sister

None closer than we

A

When you say you're too tired

I'm secretly relieved

Am

D

But I try to see you again

G

To see you like the first time

Gm

And sometimes I glimpse us

Eb

Before we were us

F

Before we had bills

Bb

And before we had staff

Gm

Eb

Before we bought suitable wine for our meals

C **D**

And bought records instead

Em

A

Oh, love is a rock, not a straitjacket

C **D** **G**

Love is an unmade bed

Em

A

Oh, love is a rock, not a straitjacket

C **D** **G**

Love is an unmade bed

[VERSE CHORDS - hum or doobedoo. Or la. Or keep quiet. I can't tell you how to live your life]

G

I see you again in a year

Maybe two

A

At a wedding or birthday

And you have moved on

Am

D

And just for a moment I'll choke

G

Then the moment is gone

Just for a second

I'll question it

A

All nostalgic

And trying to hide it

Am

D

Then I'll snuff out this thought in the moment,

G

The issue decided.
