INTRO: **Em Asus2**

Em

Oh, I m a loaded gun
You flip my switch
You watch me run

F G

Cause I get so excited

F G

I feel it coming on

Em

I got a heartbeat in my brain
I can t keep still
You keep me entertained

F G

I get no satisfaction

F G

Until the game is won

D

I get a little high
You can t stop me

Em C

Watch out here we go

Am

Here we go

D

You come along for the ride

Em C

My black heart Romeo

Am

A real hero.

D

How can we lose when we re on the right

side?

Em

Oh, it s been so long since it felt so good
Your electricity is a

F G

curious notion.

F G

It s so good to be alive

Em

When you bring it closer now

Closer still

We re just a breath away from

F **G**

victory, baby

F **G**

Such sweetness, drunk and dry

D

We get a little high

You can t stop us

Em **C**

Watch out here we go

Am

Here we go

D

You come along for the ride

Em **C**

My black heart Romeo

Am

A real hero.

D

How can we lose when we re on the right

Bm **Em**

side of it now?

Bm **Em**

Where are they now?

Am

D

Their doom and gloom consumed them in the end

Bm **Em**

You ve gotta leave it behind

Bm **Em**

Leave it behind.

D

Have a little faith

C

Play a little music

D

Put in it your heart

C

Baby we can use it

D

Get a little high

They can t stop us

Em **C**

Watch out here we go

Am

Here we go

D

You come along for the ride

Em
