Verse 1:

**D#** **Bb** **Cm** **G#**  
I can only recall, when you stay up late waitinâ€™ till I return home and.....  
**D#** **Bb** **Cm** **G#**  
I can only recall, all those lonely nights when I just left you in the house  
alone cause...

**D#** **Bb** **Cm**  
I didnâ€™t mean to make you feel so small, girl, and...I didnâ€™t mean to try  
and  
**G#**  
hurt you at all. I just...  
**D#** **Bb** **Cm**  
need this time to try and make things right for you. Canâ€™t believe that I  
**G#**  
just pushed you aside  
**D#** **Bb** **Cm** **G#** **D#** **Bb**  
When its you baby, taught me how to fly baby. Only questions why baby, pushed  
**Cm G#**  
you right aside.  
**D#** **Bb** **Cm** **G#** **D#** **Bb**  
And its me baby, said weâ€™ll never fight baby. Didnâ€™t mean to lie baby, just  
**Cm G#**  
give me one more try.

**D#** **Bb** **Cm** **G#**  
Just thinking bout the opportunities making up. Couldnâ€™t see that I was too

to try and work things out, and...  
**D#** **Bb** **Cm**  
Even when I tried to tell you that you are the one, those tears start  
**G#**  
falling, and I canâ€™t believe its what Iâ€™ve done. Cause...

Chorus:

**D#** **Bb** **Cm**  
I didnâ€™t mean to make you feel so small, girl, and...I didnâ€™t mean to try  
and  
**G#**  
hurt you at all. I just...  
**D#** **Bb** **Cm**  
need this time to try and make things right for you. Canâ€™t believe that I  
**G#**  
just pushed you aside

**D#** **Bb** **Cm** **G#** **D#** **Bb**  
When its you baby, taught me how to fly baby. Only questions why baby, pushed

And its me baby, said weâ€™ll never fight baby. Didnâ€™t mean to lie baby, just
