lyrics:

Verse 1:

set up the mission, unfurl the flag  
it s time to lay roots down, take my head out of the bag  
make me a baby,take me a wife  
with these things, maybe i ll be alright

Chorus:

there s a better way  
i know there s a better way  
when i need it, and i need it for sure everyday

Verse 2:

fill up the museum, an island in the sun  
more things that i don t need just pick me up  
jead for the waterfall, don t drown in the juice  
make the right noises maybe i ll be alright

Break:

how come it s so hard to climb  
and so easy to slide?  
how come it s easy to fly  
and so hard to thrive?

Chorus:

there s a better way  
there must be a better way  
when i need it, and i need it for sure everyday

Break:

it s so much harder much harder to try  
it s easier to lie, to turn a blind eye

Chorus:

but now  
ther s a better way, i know that there s a better way  
when i need it, and i need it for sure everyday  
there s a better way it makes for a better day  
when we need it, we need it  
we need it for sure, everyday

Verse:

unfurl the flag  
got my head out of the bag  
i know it makes for a better day
