Verse 1a:

=====

Cm **Eb**
From beneath the bedroom floor
Bb **G#**
It is hunting me
Cm **Eb**
Silent clicking off the door
Bb **G#**
And it sucked me in

Verse 1b:

=====

Fm **Cm**
Was I right to overstep the border
G# **Bb**
that leads me to this place?
Fm **Cm**
Was I right ignoring all the warning signs
G# **Bb**
Accepting to fall from grace?

Chorus:

=====

Cm
Am I suffocating right?
Eb **Bb**
Is there anybody watching?
G# **Cm**
Is there anything outside
Eb **Bb**
That might keep me here?
G# **Cm**
Am I suffocating right?
Eb **Bb**
Is there anybody listening?
G# **Cm**
Is there anything inside
Eb **Bb**

that can stop me here?

Verse 2a:

=====

From behind the bedroom door
it is calling me
A silence never felt before
and I am still crying

Verse2b:

=====

Was I right to overstep the thin line
that keeps me from this place?
Was I right rejecting all the spoken words
ignoring to fall from grace?

Chorus:

=====

Am I suffocating right?
Is there anybody watching?
Is there anything outside
that might keep me here?
Am I suffocating right? (Am I suffocating right?)
Is there anybody listening?
Is there anything inside (is there anything inside)
that can stop me here?

Chorus:

=====

Am I suffocating right? (Am I suffocating right?)
Is there anybody watching?
Is there anything outside (is there anything outside)
that might keep me here?
Am I suffocating right? (Am I suffocating right?)
Is there anybody listening?
Is there anything inside (is there anything inside)
that can stop me here?
