

Arms So Real
Neutral Milk Hotel

Eb Ab
Ahhh Ahh

Eb
Hold it into arms so real
Ab
There is something we can feel
Eb Ab
Life s not horrible all the time
Eb
Smokes and cups and words of rhyme
Ab
Dripping ceiling, lemon lime
Eb Ab
I love you, and that s all I have to say

Eb
Eyes of grey and pavement green, wrap your arms around the scene
Eb
Take your love and hold it close the slightest suggestion
Eb
Eyes of grey and pavement green, wrap your arms around the scene
Eb
Take your love and hold it close the slightest suggestion

Eb Ab

Eb
Spinning slightly round
Ab
My head hits the ground
Eb
A seed pops out, grows a thought
Ab
And descends unto you

Eb Ab Eb Ab Eb
With love, with love, with loooove, with love
