

What is this world without pain?

C

G

It ain't a god damn thing, just a rock floating

F

Through the universe

C

G

F

The world's a shitty place, and I can't wait to die *[Riff]

The world's a shitty place, and I can't wait to die

The world's a shitty place, and I can't wait to die

The world's a shitty place, and I can't wait to die

The world's a shitty place, and I can't wait to die

The world's a shitty place, and I can't wait to die

The world's a shitty place...
