

Trapped In A Hole

Neva Dinova

[D] Iâ€™m too scared to notice

[A] The path I chose is focused

[Bm] Wide

[G]

[D] Crosses are

[A] Something wrong I should have

[Bm] Tried and tried

[G]

[G] Baby itâ€™s the [A] beer thatâ€™s smiling

[D] It [A] aint [G] me,

[G] Point me at the [A] door cuz Iâ€™ve been

[D] Tryinâ€™ [A] to [Bm] leave

[G] Basement passion, [D] school girl action

[A] Paintinâ€™ fashion [G] now

[G] I miss you when [A] youâ€™re gone so just get [G] out

[D] [A]

[Bm] Tripped in [G] to a hole I [D] dug every [A] word

[Bm] With my head [G] to the ground I [D] loved what I [A] heard

[G] And I couldnâ€™t [D] think of leaving [Bm] while youâ€™re feeling [G] down

[G] I just rest my [A] eyes and you blow [D] town

Tripped into a hole I loved what I heard

With my head to the ground I dug every word

And I couldnâ€™t dream of leaving while youâ€™re feelinâ€™ down

I just rest my eyes while you blow town
