

Bigcitydreams
Never Shout Never

[Verse 1]

C
You say we re both little people and you like it that way
Am
But in time I m gunna put this body to shame (and grow old)
F
Where a suit like my old man
G
Pack up all my things and get my tail out of town

[Pre-Chorus]

C
We ve got it good
Am
Whether you like this town or not

I know it s small but with a big head
F
it s bound to get hot

In the summer

But the summer is a bummer
G
If you can t leave
Am
This pathetic excuse for a town

Am
That holds all your memories
C
A lifetime of crushes and your broken dreams
F
To be anywhere but here
G
But baby anywhere is away from me

[Chorus]

C **Am**
If you got it all figured out
F

Then what is there to shout about

G

This midwest town is gunna miss you

C

Am

Just go ahead and work it out

F

But first come on and let it out

G

Scream it shout tell everybody that your gunna leave

[Verse 2]

C

In about one year you ll have it all figured out

Am

These big city dream are what you re about

F

Walking like stangers among these states

G

Only time will tell how long I can wait

[Pre-Chorus]

C

We ve got it good

Am

Whether you like this town or not

I know it s small but with a big head

F

it s bound to get hot

In the summer

But the summer is a bummer

G

If you can t leave

Am

This pathetic excuse for a town

Am

That holds all your memories

C

A lifetime of crushes and your broken dreams

F

To be anywhere but here

G

But baby anywhere is away from me

[Chorus]

C **Am**
If you got it all figured out
F
Then what is there to shout about
G
This midwest town is gunna miss you
C **Am**
Just go ahead and work it out
F
But first come on and let it out
G
Scream it shout tell everbody that your gunna leave

[Outro]

Am **F**
Me again oh so casually
C **G**
Did you take the hit for me or the home team

C **Am**
If you got it all figured out
F
Then what is there to shout about
G
This midwest town is gunna miss you
