CAPO 5

[Verse]

**C**                    **G**                    **Am**                    **F**  
Coffee and cigarettes are my only escape  
                  **C**                    **G**  
I got my cup of Joe my pack of stogs  
                  **Am**                    **F**  
And Im on my way downtown  
**C**                    **G**                    **Am**                    **F**  
To set up shop and sing my cares away  
                  **C**                    **G**                    **Am**                    **F**  
So wont you sing with me cuz its cold outside and Im feeling kind of lonely

[Chorus]

**Am**                    **C**                    **G**                    **F**  
Friday nights are always the same in this town  
**Am**                    **C**                    **G**                    **F**  
I m lookin up but Im feeling kind of down  
**Am**                    **C**                    **G**                    **F**  
So I light this cigarette and smoke the night away  
                  **Am**                    **C**                    **G**                    **F**  
And I hope that Saturday will be the day when everything feels okay  
**C**    **G**                    **Am**                    **F**                    **C**    **G**                    **C**  
Badada                    badadadadadada                    badadadada

[Verse]

**C**                    **G**                    **Am**                    **F**  
Coffee and cigarettes are best when shared with you  
                  **C**                    **G**                    **Am**                    **F**  
Well go to waffle house or your moms house and share a cup or two  
                  **C**                    **G**  
Yeah I have friends but they have friends  
                  **Am**                    **F**  
And they have parties and Im so awkward  
                  **C**                    **G**                    **Am**                    **F**  
So whattya say just as friends we see a movie this weekend alright okay

[Chorus]

**Am C G F**  
Friday nights are always the same in this town

**Am C G F**  
I m lookin up but Im feeling kind of down

**Am C G F**  
So I light this cigarette and smoke the night away

**Am C G F**  
And I hope that Saturday will be the day when everything feels okay

**C G Am F C G Am F**  
Badada badadadadadada badadadada

**C G Am F C G C**  
Badada badadadadadada badadadada
