

C#m **A**
And will you tell all your friends

E **B**
you ve got your gun to my head

C#m **A**
This song was only wishful thinkin,

E **B**
This song was only wishful thinkin

C#m **A**
And will you tell all your friends

E **B**
You ve got your gun to my head

C#m **A**
This song was only wishful thinkin,

E **B**
This song was only wishful thinkin
Slow clap...

C#m, A, E, B

C#m, A, E, B

C#m **A**
Hoping for the best just hoping nothing happens

E **B**
A thousand clever lines unread on clever napkins

C#m **A**
I will never ask if you don t ever tell me

C#m **B**
I know you well enough to know you never loved me

C#m **A**
Why can t I feel anything

E **B**
from anyone other than you?

C#m **A**
Why can t I feel anything

E **B**
from anyone other than you?

C#m, B, A

C#m B A
And all of this was all your fault

C#m B A
And all of this

C#m **A**
I stay wrecked and jealous for this,

E **B**
for this simple reason

C#m **A**
I just need to keep you in mind

E **B**

as something larger than life

C#m **A**

I stay wrecked and jealous for this,

E **B**

for this simple reason

C#m **A**

I just need to keep you in mind

E **B**

as something larger than life
