AND SO ON!

I should ve seen the boredom in your eyes.

You dropped me off and you said your goodbyes.

Cause dad I called you my friend.

My best friend at that.

But only for you...

And I saw this man on the side of the road.

He said take my hand, that man threw me a bone.

Cause one man s trash is another man s treasure.

The way that he made me feel was better then ever.

He told me he loved me.

He meant it forever.

And I love him cause he loves me.

And all I ve ever wanted was to feel loved.
