

This love I m sharing is not a desperate plee

**F** or **Dm**

Lets leave this country and explore the seven seas

**F C Am Dm** x2

**F** **C**

I hope you see

**Am**

what i see when i look at you

**Dm**

The colors of your spectrum blow my mind

**F**

**C**

You re so unsure

**Am**

You say you re pretty sure that you think

**Dm**

you re beautiful and darling

**Bm**

I will help you believe

**G**

Just don t hate me for being honest

**C**

Girl, you re making me delirious

**G**

These sudden feelings for you are so mysterious

**Am**

This life we re living is nothing but a dream

**F** or **Dm**

Take off your clothes and let me hold you while you sleep

**C**

Girl I know it sounds delirious

**G**

To think you d fallin in love for my experience

**Am**

This love I m sharing is not a desperate plee

**F** or **Dm**

Let s leave the country, explore the seven seas

**F**

**G**

**C**

Till morning comes and whipes these words away

**F**

Know that I ll be here

**G**

**C**

I promise to stay

**F**

Unless you say the word

**G**

**C**

I ll walk back out your door

**F**

**G**

It will be just like we never met

**C            Am    F            C Am F**

Just like before I loved you.. I still do

**C**  
    Girl, you re making me delirious
