I, I want you back

Bbm

You've done a damn good job

Ebm

of making me see

what I can't live without

F#

And you

C#

You're so unsure

Bbm

You say you're pretty sure

Ebm

that you still believe in love and darling I will

Cm

help you believe

G#

just don't hate me for being honest

C#

Girl, you're making me delirious

G#

These sudden feelings for you are so mysterious

Bbm

This life we're living is nothing but a dream

F# or **Ebm**

take off your clothes and let me hold you while you sleep

C#

Girl, I know it sounds delirious

G#

To think you'd fall in love for my experience.

Bbm

This love I m sharing is not a desperate plea

F# or **Ebm**

Lets leave this country and explore the seven seas

F# C# Bbm Ebm x2

F# C#

I hope you see

Bbm

what i see when i look at you

Ebm

F#

The colors of your spectrum blow my mind

C#

You re so unsure

Bbm

You say you re pretty sure that you think

Ebm

you re beautiful and darling

Let s leave the country, explore the seven seas

F#

G#

C#

Till morning comes and whipes these words away

F#

Know that I ll be here

G#

C#

I promise to stay

F#

Unless you say the word

G#

C#

I ll walk back out your door

F#

G#

It will be just like we never met

C# Bbm F# C# Bbm F#

Just like before I loved you.. I still do
