**G** I, I want you back  
**Bm**  
You've done a damn good job  
**Em**  
of making me see  
what I can't live without  
**G**  
And you  
**D**  
You're so unsure  
**Bm**  
You say you're pretty sure  
**Em**  
that you still believe in love and darling I will  
**C#m**  
help you believe  
**A**  
just don't hate me for being honest  
**D**  
Girl, you're making me delirious  
**A**  
These sudden feelings for you are so mysterious  
**Bm**  
This life we're living is nothing but a dream  
**G** or **Em**  
take off your clothes and let me hold you while you sleep  
**D**  
Girl, I know it sounds delirious  
**A**  
To think you'd fall in love for my experience.  
**Bm**

This love I m sharing is not a desperate plea  
**G** or **Em**  
Let's leave this country and explore the seven seas

**G D Bm Em** x2

**G** **D**  
I hope you see  
**Bm**  
what i see when i look at you  
**Em** **G**  
The colors of your spectrum blow my mind  
**D**  
You're so unsure  
**Bm**  
You say you're pretty sure that you think  
**Em**  
you're beautiful and darling  
**C#m**  
I will help you believe  
**A**  
Just don't hate me for being honest

**D**  
Girl, you're making me delirious  
**A**  
These sudden feelings for you are so mysterious  
**Bm**  
This life we're living is nothing but a dream  
**G** or **Em**  
Take off your clothes and let me hold you while you sleep

**D**  
Girl I know it sounds delirious  
**A**  
To think you'd fall in love for my experience  
**Bm**  
This love I m sharing is not a desperate plea  
**G** or **Em**  
Let's leave the country, explore the seven seas

**G** **A** **D**  
Till morning comes and wipes these words away  
**G**  
Know that I'll be here  
**A** **D**  
I promise to stay  
**G**  
Unless you say the word  
**A** **D**  
I'll walk back out your door  
**G** **A**  
It will be just like we never met

**D            Bm    G            D Bm G**

Just like before I loved you.. I still do

**D**

Girl, you re making me delirious

**A**

These sudden feelings for you are so mysterious

**Bm**

This life we re living is nothing but a dream

**G or Em**

Take off your clothes and let me hold you while you sleep

**D**

Girl I know it sounds delirious

**A**

To think you d fallin in love for my experience

**Bm**

This love I m sharing is not a desperate plea

**G or Em**

Let s leave the country, explore the seven seas
