

**Delirious  
Never Shout Never**

Delirious  
The Light EP  
Never shout never

If I made a mistake, please post in comments, thanks:)

**G** **D**  
I, I want you back  
**Bm**  
You've done a damn good job  
**Em**  
of making me see  
  
what I can't live without  
**G**  
And you  
**D**  
You're so unsure  
**Bm**  
You say you're pretty sure  
**Em**  
that you still believe in love and darling I will  
**C#m**  
help you believe  
**A**  
just don't hate me for being honest

**D**  
Girl, you're making me delirious  
**A**  
These sudden feelings for you are so mysterious  
**Bm**  
This life we're living is nothing but a dream  
**G** or **Em**  
take off your clothes and let me hold you while you sleep

**D**  
Girl, I know it sounds delirious  
**A**  
To think you'd fall in love for my experience.  
**Bm**

This love I m sharing is not a desperate plee

**G** or **Em**

Lets leave this country and explore the seven seas

**G D Bm Em** x2

**G** **D**

I hope you see

**Bm**

what i see when i look at you

**Em**

The colors of your spectrum blow my mind

**D**

You re so unsure

**Bm**

You say you re pretty sure that you think

**Em**

you re beautiful and darling

**C#m**

I will help you believe

**A**

Just don t hate me for being honest

**D**

Girl, you re making me delirious

**A**

These sudden feelings for you are so mysterious

**Bm**

This life we re living is nothing but a dream

**G** or **Em**

Take off your clothes and let me hold you while you sleep

**D**

Girl I know it sounds delirious

**A**

To think you d fallin in love for my experience

**Bm**

This love I m sharing is not a desperate plee

**G** or **Em**

Let s leave the country, explore the seven seas

**G**

**A**

**D**

Till morning comes and whipes these words away

**G**

Know that I ll be here

**A**

**D**

I promise to stay

**G**

Unless you say the word

**A**

**D**

I ll walk back out your door

**G**

**A**

It will be just like we never met

**D            Bm    G            D Bm G**

Just like before I loved you.. I still do

**D**

Girl, you re making me delirious

**A**

These sudden feelings for you are so mysterious

**Bm**

This life we re living is nothing but a dream

**G or Em**

Take off your clothes and let me hold you while you sleep

**D**

Girl I know it sounds delirious

**A**

To think you d fallin in love for my experience

**Bm**

This love I m sharing is not a desperate plea

**G or Em**

Let s leave the country, explore the seven seas
