

**First Dance Lovin On You**  
**Never Shout Never**

Capo on the forth fret

**C**

It started with your hips

**G**

so I moved up to your lips

**F**

To take a chance ask for a dance

**G**

Cause you re the cutest thing on this side of the world

**C**

We call our homes

**G**

yet I feel so all alone

**F**

Half of the time, we gotta live with what we got

**G**

and I got nothing, So agree to take my hand

**C**

so we can conjour up with something rad

**F**

**C**

And you, could, move on with your whole life

**G**

just like you do

Capo On The 4th Fret

**F**

Just like you shoo be do do doo

**C**

And you could make everything alright

**G**

and I want you too

**F**

**G**

Because ever since the first dance all I thought about

**C**

was loving on you

**C**

So I moved to the dance floor

**G**

with instincts and nothing more

**F**

I had ants in my pants

I did the boogie dance

**G**

and there was nothing to do but laugh

**C**

So I took another leap

**G**

hoping to sweep you off your feet I said

**F**

**G**

Baby maybe we could bust this joint and see if my place is open to chill

**F**

**C**

**G**

And you, could, move on with your whole life, just like you d

**F**

Just like you shoo be do do do

**F**

**C**

**G**

And you could make everything alright and I want you too

**F**

**G**

Because ever since the first dance all I thought about

**C**

was loving on you
