

Hummingbird

Never Shout Never

D Em G

I like you

D Em G

Girl you don t got nothing to prove to me

D Em G

I know that times have been rough

D Em G

For the both of us

A A/C#m

But I ll pray for a change

D Em

You see this world has lots to offer

G A

But in time it will go dark,

D Em

And if this love is what we say it is

G A

I m sure we will go far

D Em

And with a girl as sweet as you

G A D

There s not much else I can do

Em

But fall for you

D Em G

D Em

You know that I m a wreck

G

And I know you can t breathe

D Em G

At the edge of my seat with each word

D Em

As the months turn into years

G D Em

Just know that I will wait... here,

G

For you

A A/C#m

Cause I prayed for a change

D Em

You see this world has lots to offer

G **A**
But in time it will go dark,
 D **Em**
And if this love is what we say it is
 G **A**
I m sure we will go far
 D **Em**
And with a girl as sweet as you
 G **A** **D**
There s not much else I can do
 Em
But fall for you

thats pretty much it
i dunno if thats right or not, but it sounds like it fits pretty well
except im not sure about the A/C#m
but you can use that as a starting point :)
