## Love Is Our Weapon Never Shout Never

The first song off of the What is Love mini-album . I am obsessed.

Btw sorry the spacing is all messed up, I am WAY too lazy to try to make it work.

Standard Tuning

D A E A

Hey everybody take a look around

Put your money where your mouth is

E A

Take your eyes off the ground

D A E A

Α

We got a hard day coming if we can t work out

D A E

777 +1-- --------

All the pissy little problems that were fightin about

 $\mathbf{D} \mathbf{A} \mathbf{E} \mathbf{A} (x2)$ 

A E F#m

You see I never got involved with politics

D Dm

Α

cause they always brought out the worst in my folks

A E F#m

But I always swore to them if I could make a change at all

D Dm A

I d love this world before it implodes

E

We all want change

E

And we want it now

n a F a

Hey everybody take a look around

A

Put your money where your mouth is

E A

Take your eyes off the ground

D A E A

We got a hard day coming if we can t work out

D A E

Α

 $\mathbf{D} \mathbf{A} \mathbf{E} \mathbf{A} (\mathbf{x}1) \mathbf{D} \mathbf{A} \mathbf{E} (\mathbf{x}1)$ The picking part goes like this: E-----I B----0-----I G---2---2---2---1 x2D-----I A-----I E-2----I F#m Е D Love is the weapon for this lukewarm congregation F#m D Love is the only thing that s kept me believing D Love is the weapon for this wounded generation D Love is the only thing that s kept me believing Е That the world will change (world will change) We all want change (want it now) Α Hey everybody take a look around D Α Put your money where your mouth is Take your eyes off the ground D Е Α We got a hard day coming if we can t work out D Е Α All the pissy little problems that we re fightin about D A(one strum)

All the pissy little problems that we re fightin about
