

**Magic**

**Never Shout Never**

One of the singles off of the new Indigo album, releasing November 13!! :D There were no tabs & you can see what chords he uses in the music video, so I figured I'd go for it!

Chords: (Christof plays these all as bar chords, so here are the tabs for the fingering the way he plays it)(Continue to strum Fs on prechoruses, just emphasize where I put the F again)
